

Discount Opportunities

BCRTA members, through our membership in the Canadian Association of Retired Teachers, may access CPEAC, the Canadian Employee Acquisition Club.

The discounts, exclusively available to Canadian public employees from all sectors including retirees, are on items such as electronics, magazines, travel/voyages, sports, and house wares, to name only a few.

The integrity and exclusivity of the program are ensured by a Key Link system used to communicate saving opportunities to its members.

The link for this discount program is on our website <bcrt.ca> and on the national website< www.acer-cart.org>.
